18003 Hwy 105, Sour Lake, TX 77659 (409) 287-4447

## **Fundraiser FAQs**

### ***What is the profit margin for the organization?***

Schools/organizations will make 50% profit from each package and \$1.50 from each single mix.

### ***How much are the fundraiser forms?***

If you print your own, there is no cost. If we send you the colored forms, they are 25¢ each plus shipping, but once you turn in your final order, you will be reimbursed for the cost of the forms.

### ***What if the organization does not meet the free shipping qualification (if using the traditional order forms)?***

If you are unsure if you will be able to meet the free shipping qualification, you may want to charge each customer an extra \$1.00 per package to cover the cost. If not, the shipping would just simply come out of the end profit.

\* Only on these 50% packages, if the order totals at least \$1,500 (\$750 profit for organization and \$750 company) then we will ship for free. Shipping charges will apply to all others. If there is a problem with your order, then we will replace and ship these for free.

### ***How does the organization turn in their fundraiser when completed?***

- 1 If your order is below the amount to qualify for free shipping, then please place the order through your fundraiser link. It will charge you the retail price, and once it closes, we will send you the final earnings.
- 2 If your order is below the amount to qualify for free shipping AND you would prefer to pay with ONE check directly from the fundraiser group, then you will have to email us the order. If it is single mixes, please email us the total of each mix and the name of the mix. If the order is from the 50% packages, then we'll send you an easy form to fill out.
- 3 If your order is enough to qualify for free shipping AND you are paying credit card, then please place the order through your fundraiser link. It will charge you the retail price, and once it closes, we will send you the final earnings. At checkout, please select "pick up order from home office" and this will bypass the shipping charge.
- 4 If your order is enough to qualify for free shipping AND you would prefer to pay with ONE check directly from the fundraiser group, then you will have to email us the order. If it is single mixes, please email us the total of each mix and the name of the mix. If the order is from the 50% packages, then we'll send you an easy form to fill out.

## **On-line Fundraisers**

***Is this a free set up?***

Yes! We provide you with your own link.

***Can you request to do both the traditional fundraiser packets and online?***

Yes, you may choose to participate in one or both!

***How does the group get paid?***

At the end of the fundraiser, we email the sponsor the total amount earned. We also send them a list of everyone who placed an order and the amounts earned from each person. If the group is only participating in an on-line fundraiser, then we will send earnings then. If the group is also participating in a regular fundraiser where they are taking orders, then we will email the sponsor to see if they want earnings at that time, or if they want to use the amount earned as a credit on their large order when they submit it.
