

Online Fundraisers

Online fundraisers can make fundraising easier for you! With The Gourmet Cupboard®, everyone can even order from the comfort of their own home with "Online Fundraising". And best of all, your child stays safe at home while collecting orders for his/her cause. All the participant needs to do is give out the website link to anyone and everyone! You can even send the link to Grandma from out of state or other friends and relatives who live a long distance away!

After signing up, we simply provide you with your own mini website created especially for YOU! Your customers order, and their products are shipped directly to them from the home office! We keep a running total of all orders and the profit earned.

An online customer can order any of the single mixes, but please encourage your customers to order from the section called, "Fundraiser Packages" simply because the profit is 50% on these packages!!
